

2nd Annual Lakewinds Masters Golf Tournament

Early April always brings The GREATEST Golf Tournament in the world to Augusta and LakeWinds. April 12-13 was our 2nd annual Masters Tournament. This unique format pairs local golfers with the leaders at Augusta. The Professional's score card is matched with that of the entrant's at LakeWinds and the results are similar to a Two Man Best Ball Match. All scores are relative to par on each hole. Our tournament was a 2 day affair.

Saturday's winner was a Shane Bolt/Brandt Snedeker partnership. Thanks to a great back 9 for Bolt, which included an eagle on #10, and a solid performance by young Snedeker, the team finished -9.

Sunday's round proved much tougher for all competitors as the wind picked up at both locations. Congratulations to T. Immelman for winning the coveted Green Jacket, but at LakeWinds Boo Weekley and Lynn Harrelson took home the money. Despite 20+ mph wind gusts, Harrelson was -4 on the back and Weekley birdied #6 & #18 at Augusta to tally a team score of -6 for the win. A John Patten/Tiger Woods tandem finished 2nd at -4.

We will hold the same tournament format for the U.S. Open with only a \$5 entry fee. Make your plans early to join us for all the fun.
